Testimonial

National Institute of Personnel Management (NIPM) Coimbatore Chapter is pleased to endorse the "HR Leadership for Business" program, skilfully led by GHLRP, a global HR consultancy based in Mumbai. Conducted in two phases—Phase 1 on November 14-15, 2025, and Phase 2 on November 29, 2025—the initiative empowered senior HR professionals with critical competencies in understanding business, aligning people strategies, comprehending HR's strategic role, business drivers, credibility-building, and integrating HR technology amid evolving business landscapes.

Facilitated by GHLRP experts Mr. Sridhar Ganesh, Mr. Pradeep Mukerjee, and Mr. Yogesh Patgaonkar, the program delivered practical insights via modules on financial and business acumen, strategy frameworks with value maps, HR value pillars, capability mapping, people strategy, HR technology adoption framework, and motivation techniques. Interactive elements like case studies, group discussions, and role plays enriched learning, with the in-person sessions capped at 25 participants for focused engagement and real-world applicability.

NIPM Coimbatore Chapter strongly recommends GHLRP's offerings for HR leaders aiming to propel organizational excellence through this transformative program.
